the stunning true story of the rise of nazism in america in the years leading to wwii and the fearless jewish gangsters and crime families who joined forces to fight back with an intense cinematic style acclaimed nonfiction crime author michael benson reveals the thrilling role of jewish mobsters like bugsy siegel in stomping out the terrifying tide of nazi sympathizers during the 1930s and 1940s goodreads top nonfiction of 2022 as adolph hitler rose to power in 1930s germany a growing wave of fascism began to take root on american soil nazi activists started to gather in major american cities and by 1933 there were more than one hundred anti semitic

groups operating openly in the united states few americans dared to speak out or fight back until an organized resistance of notorious mobsters waged their own personal war against the nazis in their midst gangland style in this thrilling blow by blow account acclaimed crime writer michael benson uncovers the shocking truth about the insidious rise of nazism in america and the jewish mobsters who stomped it out learn about nazi town usa how one long island community named a street after hitler decorated buildings with swastikas and set up a camp to teach us citizens how to goosestep meyer lansky and murder inc how a jewish mob accountant led fifteen goons on a joint family mission to bust heads at a brown shirt rally in manhattan fritz kuhn the vest pocket hitler how a german immigrant spread nazi propaganda through the american bund in new york city with 70 branches across the us newark nazis vs the minutemen how a jewish resistance group led by a prize fighter and bootlegger for the mob waged war on the bund in the streets of newark hitler in hollywoodland how sunset strip kingpin mickey cohen knocked two brown shirters heads together and became the west coast champion in the mob s war on nazis packed with surprising little known facts graphic details and unforgettable personalities gangsters vs nazis chronicles the mob s most ruthless tactics in taking down fascism inspiring ordinary americans to join them in their fight the book culminates in one of the most infamous events of the pre war era the 1939 nazi rally in madison square garden in which law abiding citizens stood alongside hardened criminals to fight for the soul of a nation this is the story of the mob that s rarely told one of the most fascinating chapters in american history and american organized crime

keith lowell jensen thinks you should punch nazis in this collection of essays stories interviews and rants he tells us why jensen grew up and into the sacramento punk music scene in the late eighties and early nineties where weirdos lgbtq folk feminists and allies strived to carve out safe community spaces this scene also attracted a different kind of outsider white supremacists and nazi skinheads making for a politically charged and complicated landscape in punching nazis he reflects on his experiences with these racist fringe groups that infiltrated the progressive scene that gave rise to bands like green day from unwittingly driving around in a lowrider with a gang called the suicidals to a night doing stand up with a clown with an unwanted swastika tattoo jensen brings his brand of subtle sincere comedy to reflect on the complicated relationship that punk music has with racist skinheads and what we should do about it in recent times americans are surprised to find groups like the klan and more recently the racial realists and the alt right are still prominent and now as they grow increasingly emboldened it s intriguing and valuable to hear tales of those who

through the love of punk rock music have a history of dealing with racist fringe groups

big intel recounts the dramatic story of the rise and cold war heroics of the cia and the american intelligence apparatus followed by its unfortunate slide into marxist influenced deep state dysfunction as big intel became bad intel how the left subverted the cia and fbi once upon a time the fbi and the cia fought america s enemies at home and abroad now they are tools of a growing police state attacking the left s political enemies and spying on ordinary american citizens even parents who push back against radical public schools how did we get here in this revealing and thoroughly documented book a former cia operative traces the origins of big intel to a loose network of marxist academic agitators known as the frankfurt school their ideology appealed to the ivy league elites populating the cia but the subversion of the fbi took longer impeded for a time by the bureau s staunchly anti communist director j edgar hoover eventually both institutions succumbed and today big intel is controlled by the cultural marxists chronicling the parasitic infiltration of the cia and fbi big intel shows how normal intelligence functions have given way to political correctness and never ending pride propaganda trap ping agents in the diversity equity and inclusion house of mirrors most chilling of all is the emergence of the leftist security state big intel has become bad intel there are hard times ahead but if americans remember what freedom once was we can still defang big intel and return our intelligence services to the service of democracy

combining history politics and critical analysis he revisits the killing fields of cambodia documents the three month hutu machete genocide of about 800 000 tutsi villagers in rwanda and casts recent headlines from kosovo in the light of these other conflicts book jacket

well researched readable and very interesting choice nazis in newark is a model local history that reaches well beyond the border of essex county new jersey to the national and international arenas by recounting so many sides of the complicated encounter between nazis and jews in newark warren grover has fashioned a world of street politics boycotts nazi louts and jewish bruisers that is as compelling and telling in its detail as any grand tome on the supposed failures and successes of american jewish resistance to the holocaust i recommend nazis in newark i intend to use it as a cornerstone of my teaching for some time to come professor michael

alexander the jewish quarterly review very few people today realize that the u s mainland was the scene of battles against the nazis warren grover has produced an outstanding work on this subject the writing is incisive the ideas are both original and insightful and the thesis masterfully developed and executed must reading for anyone interested in american history and ethnic studies william b helmreich cuny graduate center and author of the enduring community thanks to tenacious research and deft story telling warren grover has put the politics of extremism in one city in the shadow of fascism nazism and communism and has thus illuminated the terrible dilemmas of the 1930s his book also compels the reader to consider an historical anomaly champions of the third reich come across as victims whose civil liberties were infringed and the gangs of newark responsible for these violations tended to be jewish such ironies make nazis in newark worth the interest of anyone intrigued by ethnic conflict and politcal violence in urban america stephen whitfield max richter professor of american civilization brandeis university in this fast paced thorough study of anti nazism in newark scholar warren grover tells th

they were foot soldiers and officers they served in the regular army and the waffen ss and remarkably they were also jewish at least as defined by hitler s infamous race laws pursuing the thread he first unraveled in hitler s jewish soldiers bryan rigg takes a closer look at the experiences of wehrmacht soldiers who were classified as jewish in this long awaited companion volume he presents interviews with twenty one of these men whose stories are both fascinating and disturbing as many as 150 000 jews and partial jews or mischlinge served often with distinction in the german military during world war ii the men interviewed for this volume portray a wide range of experiences some came from military families some had been raised christian revealing in vivid detail how they fought for a government that robbed them of their rights and sent their relatives to extermination camps yet most continued to serve since resistance would have cost them their lives and they mistakenly hoped that by their service they could protect themselves and their families the interviews recount the nature and extent of their dilemma the divided loyalties under which many toiled during the nazi years and afterward and their sobering reflections on religion and the holocaust including what they knew about it at the time rigg relates each individual s experiences following the establishment of hitler s race laws shifting between vivid scenes of combat and the increasingly threatening situation on the home front for these men and their family members their stories reveal the constant tension in their lives how some tried to hide their identities and how a few were even aryanized as part of hitler s

effort to retain reliable soldiers including field marshal erhard milch three star general helmut wilberg and naval commander bernhard rogne chilling compelling almost beyond belief these stories depict crises of conscience under the most stressful circumstances lives of hitler s jewish soldiers deepens our understanding of the complex intersection of nazi race laws and german military service both before and during world war ii

in the late 1930s a number of american women especially those allied with various peace and isolationist groups protested against the nation s entry into world war ii while their story is fairly well known margaret paton walsh reveals a far less familiar story of women who fervently felt that american intervention was absolutely necessary paton walsh recounts how the united states became involved in the war but does so through the eyes of american women who faced it as a necessary evil covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women s organizations informal women s networks and even male dominated lobbying groups in the great debate over whether america should enter the war some women favored aid to the allies not because they hoped for war but because they hoped aid would forestall more direct u s involvement but also because they believed war was preferable to a nazi victory paton walsh shows that this activism involved some of the most prominent women of their day elizabeth cutter morrow whose son in law charles lindbergh was an isolationist spokesman supported the revision of the neutrality acts to allow the sale of arms to the allies and expressed her support in a national radio broadcast soon other women joined this debate esther brunauer of the aauw journalist dorothy thompson and organizations like the league of women voters and national women s trade union league broke from the pacifist tradition to advocate american aid for the allied cause focusing on the conflict in europe paton walsh shows how these women grasped the implications of the lend lease program for america s entry into the war but supported it nevertheless by late 1941 the women s division of the fight for freedom committee had been established no longer merely advocating aid to britain to keep american boys out of battle this organization supported direct american involvement in the war as a means of stopping nazi oppression while most historians have focused on women s pacifism paton walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs our war too is a story of american women trying to reconcile the irreconcilable to preserve both their principles and their peace it expands our

understanding of women as political actors and thinkers about foreign policy as it sheds new light on american public opinion over the build up to the war
