by challenging the rules of enslavement and later pushing the boundaries of free citizenship in north carolina lunsford lane 1803 79 became a folk hero to many enslaved southerners as well as a generation of abolitionists author of a unique slave narrative and a speaking partner with some of the era s greatest orators including william lloyd garrison henry highland garnett william wells brown and frederick douglass lane became a celebrity who watched as the persona he created gradually faltered and failed him and his family yet even as his influence waned it was still powerful enough to cause many to remake his image for their own purposes as a fugitive from slavery an entrepreneur a christian minister and even an abolitionist an identity he rejected lane also made many enemies who tried to silence him a white mob determined to tar and feather him reformers who saw his contributions to abolition as a threat to their causes and a neighbor who attempted to set fire to the lane home while lunsford and his family slept inside in the first biography of lunsford lane based on original and extensive research craig thompson friend portrays a man who dreamed beyond his enslavement delivered himself and his family from bondage and spun a story of his life that brought him lasting freedom and fleeting fame friend casts light on lane s family origins as well as his complex relationships with his wife parents children enslavers fellow abolitionists and nation lane s story is a biography for our times a man searching to define life liberty and the pursuit of happiness in a changing american society scarred by contentious politics economic challenges class tensions loss of political rights and racial violence

this collection of essays traces the attempts of one writing teacher to understand theoretically and to respond pedagogically to what happens when students from diverse backgrounds learn to use language in college bizzell begins from the assumption that democratic education requires us to attempt to educate all students including those whose social or ethnic backgrounds may have offered them little experience with academic discourse over the ten year period chronicled in these essays she has seen herself primarily as an advocate for such students sometimes called basic writers bizzell s views on education for critical consciousness widely discussed in the writing field are represented in most of the essays in this volume but in the last few chapters and in the intellectual autobiography written as the introduction to the volume she calls her previous work into question on the grounds that her self appointment as an advocate for basic writers may have been presumptuous and her hopes for the politically liberating effects of academic discourse misplaced she concludes by calling for a theory of discourse that acknowledges the need to argue for values and pedagogy that can assist these arguments to proceed more inclusively than

ever before the essays in this volume constitute the main body of work in which bizzell developed her influential and often cited ideas organized chronologically they present a picture of how she has grappled with major issues in composition studies over the past decade in the process she sketches a trajectory for the development of composition studies as an academic discipline
